1. Day trip to southeast Ohio— Saturday may 16th, twisty roads.
2. Weeks of July 6th & 13th, trip to Montana
3. Blue ridge Parkway 4-5 days week of September 14th

**Mel**. (Historian) Talked about his first Sturgis trip 20+ years ago. He met 2 guys 4-5 months prior to the trip. They asked if he wanted to go— SURE WHO WOULDN'T? He later found out he was driving his new Jeep & hauling his bike and all the other gear. Mel had a NEW bike and he didn't get to ride it out. Our second night we could not get a room, I slept in the Jeep & they slept in the trailer. One guy wasn't to happy, he had bad wind burn on his face & nose. He was using a cream called "Baby Face", it was obvious it didn't work.

Anyway we made it safely and they showed me around. From Sturgis we went to Colorado Springs, Garden of the Gods & rode up Pikes peak. After 13 days & 4100 miles we returned home safely.

Great Experience! The trip was a winner, thanks to John Brewer & AKA "Baby Face" Ron Krut, two friends I met in our H.O.G. Club. Once again— in our H.O.G. club you can meet & make lasting friends!

P.S. I've been back to Sturgis twice, and I rode BOTH times "Up Hill Both Ways"

**Bill McMahon** (Sponsoring Dealer)
